

We are excited to announce the Inaugural Riptide Golf Tournament and Event Party to benefit Make-A-Wish Southern Florida. We invite you to be a part of these events that bring the community together to help grant the wishes of children right here in our local community.

The mission at Make-A-Wish is simple – “Together, we create life changing wishes for children with critical illnesses”. Each wish provides a child with the incredible opportunity to forget about doctors and hospitals, and focus on being a carefree kid again. Because of the kindness of our donors, they have never denied a medically-eligible child a wish.

We are working hard to ensure that the golf tournament and event party are a success, but we need your support more than ever. We hope you will help by attending, sponsoring or contributing to the raffles.

Included in this flyer are the sponsorship opportunities for your review. The average cost of a wish is **\$6,000** and in order to transform each wish into reality, we need support from community leaders like you.

Thank you for your consideration.

Cheers!
